Dear Ms. Kiser and Mr. Sukys:

The California Department of Transportation has completed the review of the following amendment to the Council of Fresno County Governments' (COFCG) 2008/09 - 2011/12 Federal Transportation Improvement Program (FTIP):

| <u>No.</u> | <u>Description</u> |
|------------|--------------------|
|------------|--------------------|

| | |
|----|--|
| 23 | Federal, State and Local Elements |
|----|--|

- This amendment increases funding for an existing project, adds funding to lump sum projects and updates the financial summary tables. The amendment includes projects with funding from the State Highway Operation and Protection Program and local funds.

See enclosure.

The COFCG board resolution adopting this FTIP amendment certifies that projects included meet all applicable transportation planning requirements per Title 23 Code of Federal Regulation Part 450 and satisfy the applicable air quality conformity requirements.

Pursuant to the authority delegated to me by the Director of Caltrans, I approve COFCG's Amendment Number 23. I also recommend that the Federal Highway Administration and the Federal Transit Administration approve this FTIP amendment for inclusion into California's 2009 Federal Statewide Transportation Improvement Program (FSTIP). Projects included in this FTIP amendment, in fiscal years not within the four-year cycle of the current FSTIP, are not approved as part of this FTIP amendment and are shown for information only. Approval of this amendment does not constitute an eligibility determination of projects for federal funding.

Mr. Walter C. Waidehich Jr./Mr. Leslie T. Rogers
